February 2012 Edition

Our Next Council Meeting Will Be Held On February 9<sup>th</sup> at 7pm

***From the Desk of the Grand Knight***

Brother Knights:

Thank you to Terry O'Toole, Dennis Chandonnet, and Chuck Wahl for coming forward to fill the seats that will be vacant in the next fraternal year. Terry will be our next Grand Knight, with Dennis taking the Deputy Grand Knights position and Chuck taking on a Trustees position.

It's not too late to purchase your State Raffle tickets. Great prizes are there to win and at the same time you are contributing to the charities of the Knights at the state level. Please support this cause. The drawing will be March 10<sup>th</sup>, 2012. Remember that one dollar of each five dollar ticket returns to our council for our local charities.

Lent will soon be upon us, it is the annual period of forty days preceding Easter, which the church sets aside as a time of prayer, fasting, and penance. In this solemn and holy season the faithful are invited to renew their hearts and deepen their spiritual life by imitating Christ's retreat into the desert and by contemplating the events of the Passion.

This year it begins with Ash Wednesday, February 22. Come to the club on Ash Wednesday and every Friday of Lent to enjoy the finest perch in town.

**Message from the District Deputy**

Brother Knights,

During the last couple of months, I have had many chances to discuss, with several of your Brother Knights, about the pending problems facing your council. It has been spelled out about the importance of your membership stepping forward to take the reigns of leadership in the council and also about getting more involved in your parishes. So far, a couple of very capable Brothers have stepped forward to become the next Grand Knight and the next Deputy Grand Knight. But, you also need a Chancellor, two Trustees, and an active Program Director, Membership Director and Retention Committee.

I want to see your proud council continue to grow and be successful and this can only happen with the proper leadership and the goals to be lead by. I was pleased by the great number of members present at the January council meeting. I hope that even more of you will make an attempt to be more involved in the workings of the council by attending the next council meeting or the next Building Association meeting.

***Vivat Jesus,  
Michael Lewis, DD49***

Cancer is a strange cell. You can go along for years in remission and then one day it pops its head up again. If you ever have it you will never be free of it. Pray for the day there will be a permanent cure.

Dear God, I pray that You will guide someone to find a cure for cancer in 2012. In Jesus Name, Amen In memory of anyone you know who has been Struck down by cancer or is still living with it.
